“The OC Tres Dias President’s Message”

To the loving Tres Dias Community,

It’s hard to believe that we have already reached the month of November. There is no time like the present to reflect and take note of all the important things happening within our community. Both our Rector Chuck Hall and Rectora Lari Burney will soon be kicking off their Core Team meetings this month. They will need your help to support the upcoming weekends that will be taking place. Don’t wait! Make the call to them and offer to serve. Do you remember how blessed you were attending your weekend? It is even more fulfilling to humbly serve these weekends and know that you were a vessel to impacting lives in the name of Christ. Remember, you are the walking and breathing hands and feet of Christ.

Please see page 4, for the “Key Dates” for the upcoming weekends.

Information Night

This month we will also have an Information Night on December 17th at Red Hill Lutheran. It will be an opportunity to educate potential candidates and give them a free forum to ask questions and understand what makes Tres Dias so special to one’s Christian journey. We ask that you bring a dish to share to fellowship and prepare the way for the candidates upcoming weekends.

Secretariat

Secretariat has been scheduled to take place on the first Friday, November 2nd, 2018 at 7 p.m. in Red Hill Lutheran Church Library. EVERY Community member is invited! Hope to see you there!

Your brother in Christ, George Cripps Jr.

Prayer Requests

A report from Pastor Chappy:

Denese has now been home for one month. This has been a big time for learning. Her attitude is so fantastic! We go back to City of Hope on the fifth of November, at which time she will be having another CT Scan done. This will tell the doctors if the tumour has grown or shrunken. We pray for the later. She will see four doctors that day. Please remember the two of us on that day as there is nothing easy about it. A month ago when I reached out for help in finding aid, so many people had some great suggestions. I have learned so much about Medicare and what they will and won't do. I found a Medicare approved supply company who has led me through a lot of "land mines" and have been a fantastic help. Thank you, everyone, for your thoughts and prayers!

From Chris Lancaster:

Thank you for all your prayers. My wife, Robin, received an excellent report from her second surgery! All clear and ready to get back into life!

Prayer Vigil Sign-up's

You are encouraged to sign up for the 72-hour Prayer Vigil for any upcoming weekends.

Vote on Tuesday!

Vote for our freedom on November 6th.

Vote for life, marriage, and candidates with Biblical values.

It is not only a privilege to vote but it is our responsibility to vote in order to keep our government in line and serving it's people rather than the people serving it's government. We were the first successful republic in the world and we must be vigilant to maintain our freedom.

What Alexis de Tocqueville [1805-1859] called *'the habits of the heart'*, Os Guinness calls 'the golden triangle of freedom', with which he means freedom requires virtue, which requires faith, which requires freedom, which in turn requires virtue, and so on. And that's what the founding Fathers of our Great Nation used to build our constitution.

Martin Luther King said, "The church must be reminded that it is not the master or the servant of the state, but rather the conscience of the state. It must be the guide and the critic of the state and never its tool. If the church does not recapture its prophetic zeal (speaking God's truths) it will become an irrelevant social club without moral or spiritual authority."

The First Amendment to our Constitution states: Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble and to petition the Government for a redress of grievances.

Some people believe that their vote doesn't count; however a local Councilman won his seat by 71 votes; another won by 51 votes....every vote counts!
